Re: NEW Student Ambassador  
Program

Date: May 7, 2008

We are looking for a few good men & women and we need your help! You may have noticed that each year we recruit students from different activities / athletics to guide parents, guests, and visiting students for events such as ushering at plays, hosting the New Student Orientation, helping at Curriculum Nights, etc. In order to help us secure responsible students and to eliminate us nagging you before each event, we are creating a Student Ambassador group. The Student Ambassadors would be public relations representatives for Wheaton North and District 200. We are hoping to select approximately seventy-five students, Sophomores through Seniors, through your nominations.

As second semester comes to an end, we would like to identify the 2008/2009 Ambassadors and begin to build a tradition at Wheaton North. As their teachers, coaches, and sponsors you have the best knowledge of 'who's who' among students. We would like you to recommend up to five Freshman, Sophomore, or Junior students who you feel would make a good Student Ambassadors. Each nominee must have two teacher recommendations to be nominated. Please make sure the student meets the following criteria and would proudly represent Wheaton North.

- Friendly and outgoing (not afraid to talk to people – very important)
- Good Character
- Involved in and knowledgeable about aspects of Wheaton North, academically as well as extra-curricularly (belongs to at least one club / athletic team)
- Responsible and motivated
- A 3.0 GPA (if known)

Please return your recommendations to me by **Friday, May 9**. Thank you for your help in this process. Selection will be based upon recommendations, interviews, and a data sheet which is completed by the student.
